

# KALCIO

## EC FERTILIZER

Calcium nitrate solution.

<b>Composition:</b> Total (N) nitrogen	8%
Nitric nitrogen	8%
Calcium oxide (CaO)	15%
Water soluble	

pH = 5-5,3  
Density = 1,45

### CHARACTERISTICS:

KALCIO is a liquid fertilizer containing nitrogen and calcium to prevent and treat physiopathies due to calcium lack (*drying of vine rachis, apple bitter pit, leaf drying in melon and vegetables, tomato apical deterioration, etc*). KALCIO is easily absorbable both roots and leaves.

Size Kg 1 in box containing 15 pieces  
Kgs 6 in box containing 4 pieces  
Kgs 30 on pallet containing 30 pieces

The product is stable to standard temperature and pressure. To store to temperature between 4°C and 35°C.  
The product isn't combustible.

### Dose and instructions for use.

#### Fertirrigation:

**Vegetables and flowering crops:** to distribute 1-2 Kg per 1.000 sm of soil.

**Arboreous crops:** to distribute 15-30 Kgs per hectare 3-4 times during vegetative cycle.

**Vine and peach:** to distribute 15-30 Kgs per hectare 3-4 times during vegetative cycle.

**Industrial crops (potato, carrot, etc.):** to distribute 15-30 Kgs per hectare 3-4 times during vegetative cycle.

#### Leaf fertilization:

**Vegetables and flowering crops:** ml 300-400 per 100 liters of water (to distribute 800-1.000 liters of solution per hectare).

**Arboreous crops:** ml 400-500 per 100 liters of water (to distribute 800-1.000 liters of solution per hectare).

**Vine and peach:** ml 400-500 per 100 liters of water (to distribute 800-1.000 liters of solution per hectare).

**Industrial crops (potato, carrot, etc.):** ml 300-400 per 100 liters of water (to distribute 800-1.000 liters of solution per hectare).

#### Warning:

- In covered areas (greenhouses, tunnels,) the dose should not exceed 200 g per hl of water. Leaf application should be carried out in the coolest hours of the day.

**Compatibility:** The product can be mixed, in the proper dose, with FERTIPLAN products and antiparasitic in general, except for oil products and having a strong alkaline reaction.

#### WARNING:

*This product is for agricultural use only. Any other use is dangerous.*

*Keep this product locked away out the reach of children and pets. Do not smoke or eat while using the product.*

*While the FERTIPLAN guarantees the quality of the product it assumes no responsibility for damage or partial results due to incorrect application of the product or particular climatic condition and/or environment, since it cannot directly supervise its use.*
